2011 – 2012

SALARY SCHEDULE

RULES COVERING THE SALARY POLICY

1. Implementation will be effective July 1, 2011, and will be based on employee's experience in their specific job as of that period except in so far as they may be expressly modified herein.
2. All raises, whether State or Local, will be defined in percentage terms and that percent will apply across-the-board to the base level on the entire Management Salary Schedule.
3. Salary step advancement will be automatic on July 1 as prescribed by "time in step" on the schedule. Individuals will be given credit for a year's advancement if the person has served for at least one-half of the normal employment year.
4. New and former employees, excluding teachers, being hired or promoted will automatically be assigned to the Salary Schedule called for by the new position. For all support positions, prior years of service shall be given not to exceed 5 steps. For administrative positions, any prior administrative services shall be considered and the Superintendent shall approve any credit deemed appropriate not to exceed 5 years.
5. Management employees in positions requiring a teacher's certificate shall be eligible for sabbatical leave. They shall enjoy all the privileges applicable during active service with the exception of earning of annual leave during their sabbatical leave.
6. Only the Board shall have the right to change the pay grade assignments of positions. All potential reassignments will be submitted to the Superintendent for review and recommendation.
 - a. All new positions shall be reviewed for initial pay grade assignment as they are created.
 - b. The Superintendent shall have the right to request pay grade reassignments. He/she shall consider changing the responsibilities and other factors pertinent to the position.
7. Person involuntarily reassigned to a lesser position will have their salary unchanged until July 1. At that time they will be placed on a step in the new pay grade equal to or immediately above the salary. If the current salary is greater than the maximum step of the new pay grade, then the salary shall remain unchanged except for future across-the-board percentage increases.
8. Persons requesting reassignment to lesser position will immediately be placed in their new pay grade on the same step in which they are presently assigned.
9. Employees being placed in a temporary position (acting of appointed substitute) will achieve a normal promotion as out-lined in rule No. 3. Such promotion is effective for the term of the appointment only, and upon completion of the term, the employee shall return to his regular grade and step. A step increase will be granted in the regular grade if possible.
