

EVANGELINE PARISH SCHOOL BOARD

STUDENT OPPORTUNITY PROGRAM

When opportunity knocks, where will you be?
Get a jump start on college or your future career
while in high school with our student opportunities!

ACADEMY OF HEALTH CAREERS

You can finish high school while becoming a Certified Nursing Assistant or Pharmacy Technician. The Academy of Health Careers located at Ville Platte High School can help you start your career in the medical field. Course offerings include: Pharmacy Technician, Health Occupations, & First Responder. Some courses even count as Dual Enrollment which gives you technical college credits.

ADVANCED PLACEMENT / DUAL ENROLLMENT

Are you ready to be on the fast track to success? Then, the Advanced Placement/Dual Enrollment courses at Ville Platte High School are just what you need. Advanced studies in Chemistry, Physics, Calculus, Environmental Sciences, Biology, and Advanced Math will give you an edge for college. Dual Enrollment courses qualify for both high school AND college credits. AP Prep courses give you the tools you need to succeed on Advanced Placement tests which can help you earn even more college credit.

ARTS ACADEMY

Nuture your passion for the arts with the Arts Academy at Pine Prairie High School. Choose from classes in Visual Arts, Dance, Theatre, or Band. Studies show that students who are exposed to the arts do better in school.

Coming soon, EPSB will be launching a new website for our Student Opportunity Program, allowing you to apply online for one of these programs. If you would like more information about these programs, please call Mike Lombas or Darwan Lazard at the Evangeline Parish School Board Central Office, 337.363.6651. Some programs may have minimum GPA and interview and/or audition requirements. Thanks for your support of Evangeline Parish schools.
