This chart may be used to determine meal payments. If your child does not eat breakfast, then you do not have to pay for breakfast. If you pay the total amount, at the end of the month, if there is money left in your child's account it will go into the next month. Your monthly bill should indicate what balance is in your child's account. Please place your payment inside an envelope with the following information written on the outside of the envelope: Your child's first and last name, Grade, Homeroom Teacher and the Amount Enclosed. If you have children at different schools, please make a separate check/payment to each respective school. Please contact your child's school cafeteria manager if you have a question regarding your child's account.
